Nancy Hodges, Editor

THE COMPASS

The COMPASS is the student handbook of Stetson University. As its name suggests it is a guide to all phases of campus life. For the freshman and transfer student this book is an introduction to the college life found at Stetson. For the upperclassman it is a handy reference source. It provides description of each activity on campus and gives valuable information concerning university regulations. It is hoped that this book will be a helpful reference and guide to discovering a richer life at Stetson.

Nancy Hodges, Editor

Special thanks to Dr. Ann Morris, Dean Etter Turner, Miss Daisy Price, Mr. Bill Roberts, Mr. Mike Yeargan, Miss Rachel Pike, Miss Elissa Emerson, and Mr. Gordon Lathrop for all their help on this book.

ORIENTATION

Dear Incoming Students,

The Orientation Committee takes pleasure in welcoming you as Stetson Collegiates. There are many things about the activities and traditions of the campus that we feel you should be acquainted with before and during your first few days on campus. For this reason Orientation Week, from August 28 to September 1, has been carefully planned so that we might introduce you and Stetson to each other and present the many phases of campus life.

Your student adviser will be on campus to greet you when you arrive on Sunday, August 28, and will assist you in adjusting to college life at Stetson. During this time you will meet the administration, the faculty, and the students, and plan your academic curriculum for the fall.

During this summer you will be receiving much correspondence from the University. We strongly urge you to read everything very carefully. Bring this Compass with you, for it will be used often during the first few weeks.

We could write you many details of Orientation Week—its purpose, activities, and opportunities. We wish, however, to say simply that this is your week. We offer Stetson to you—its traditions, its challenges, and its rewards. We of the Orientation Committee and the student body are eagerly awaiting your arrival. We welcome you—Stetson welcomes you.

Sincerely,

Nellie Russum
Steve Hobbs

THE SETTING

The DeLand Area

Stetson first began as DeLand Academy in 1883, founded by Mr. Henry DeLand. In 1883 Mr. John B. Stetson, a wealthy hat manufacturer, donated a large sum of money to Mr. DeLand for his school. Mr. DeLand changed the name of his Academy, and thus John B. Stetson University was founded. It has grown from that time until it now has three different undergraduate divisions—the College of Liberal Arts, the Music School, and the School of Business Administration, all of which are located in DeLand. Stetson's graduate division is the College of Law located in St. Petersburg, Florida, about 150 miles west of DeLand.

DeLand itself is a quiet, residential community of nearly 20,000 people. It is bordered by beautiful lake country to the west, the Ocala National Forest to the north, and is surrounded by many bubbling fresh-water springs. A big attraction of DeLand is the location of "World Famous Daytona Beach" only 20 miles east. DeLand is accessible by car on Interstate 4 and State Highways 17 and 92. Greyhound and Trailways Busses make scheduled stops at DeLand and the Atlantic Coast Line Railroad has a station at DeLand. Eastern and National Air Lines have an airport 16 miles from the campus.

One of the principle industries in the area is the packing and shipping of citrus fruit. (DeLand is located in the heart of Florida's citrus belt.) Dairy products, beef cattle, prefabricated cabinets, clothing, air conditioning and heating units are representative of DeLand's industry.

Stetson's campus covers about 50 acres, all within easy walking distance of the center of town. It contains approximately 35 buildings, most of which are now air-conditioned. Listed below are a number of buildings which are important in the life of every Stetsonite.

ALLEN HALL, named for a former president of the University, is the student religious center given by the Florida Baptist Convention. It houses the offices of the Department of Religion, Director of Religious Activities, BSU Director, the archives of the Florida Baptist Convention, the Extension Division of the University, classrooms, prayer rooms, meeting rooms, and recreational facilities.

The ALUMNI HOUSE is used as a center for keeping contact with alumni.

BAND HALL houses the large practice room for the University Orchestra and Band. It also contains smaller practice rooms.

CUMMINGS GYM houses the offices for the women's physical education department as well as facilities for women's and co-recreational activities. It has a main floor for basketball, badminton, and rhythms. It also has separate classrooms, table tennis and recreational sports facilities, locker and shower rooms, photographic lab, corrective apparatus, and a complete equipment room. CUMMINGS FIELD is the center for women's outdoor activities.

The six tennis courts adjacent to Cummings Gym are available for limited use by students, and faculty and the public after class hours. Four courts for volleyball, handball, paddleball, and tennis practice are located west of the Cummings Gym courts. Tennis equipment may be checked out from the gym.

Cummings Gym is open for women's recreation each weekday from 8:30 a.m. to 5:45 p.m.

DeLAND HALL, the first and oldest building devoted to higher education in Florida and still in use, is the home of the Stetson School of Music.

DUPONT-BALL LIBRARY, completed in 1964, is Stetson's newest academic building. It contains the books, periodicals, government documents, maps, and other materials for research, as well as classrooms and the Departments of English and Teacher Education. The Library schedule is as follows:

Monday-Friday.....8:00 a.m.-10:30 p.m.

Saturday.....8:00 a.m.- 5:00 p.m.

Sunday.....2:00 p.m.-10:00 p.m.

The Government Documents Division is closed Sunday.

ELIZABETH HALL, named for the wife of John B. Stetson and built in the Spanish Renaissance style, is the largest classroom building at Stetson. It houses the administrative offices and the UNIVERSITY CHAPEL.

FLAGLER SCIENCE HALL contains the social science and physical science classrooms and laboratories and some administrative offices. On the second floor is the MONROE HEATH MUSEUM, which includes exhibits of American Indian arts and crafts, and Florida plant and animal life, and RICE PLANE-TARIUM.

HOLLER FOUNTAIN, named after William Holler, is located in the quad-angle between Elizabeth Hall and the duPont-Ball Library. It has a display of colored lights which come on at night.

HULLEY GYMNASIUM, named for a former president of the University, is the men's gym and contains much of the athletic equipment on campus. HULLEY FIELD, adjacent to the gym, serves as the varsity baseball practice field and has two volleyball courts, two horse shoe pits, two paddleball courts and the R.O.T.C. marching field. The shuffleboard area is between the gym-nasium and the Stetson Union.

HULLEY TOWER, contains the University bells, which are rung twice daily and on special occasions, by seniors in the Music School.

The NEWS BUREAU BUILDING houses the Stetson University News Bureau and is located across the street from the Business Administration Building.

The PANHELLENIC BUILDING is a three-story building which contains six

2-bedroom apartments. Each of Stetson's six national sororities has an apartment in this building.

PUBLIC RELATIONS BUILDING houses the Stetson University News Bureau. It is located across the street from the Business Administration Building.

SAMPSON HALL, built with the help of Andrew Carnegie, is the home of the Fine Arts Department. It contains classrooms, the language laboratory, the University art gallery, and art department workrooms.

STOVER THEATER, located behind Cummings Gym, is named for Dr. Irving Stover, a former professor of speech who served Stetson as a faculty member for fifty-five years.

The STETSON UNION BUILDING, popularly known as the "SUB", has served as the campus living room since its opening in the fall of 1958. It houses the University COMMONS (cafeteria), HAT RACK (soda shop), CUE ROOM (recreation room housing the pool tables), STETSON ROOM (banquet hall and auditorium), POST OFFICE, BOWLING ALLEY, student and faculty LOUNGES, private DINING ROOMS, GUEST ROOMS, and the University BOOKSTORE. The bookstore has all required textbooks and many other books, items for personal use and health care, University souvenirs, supplies and novelties. Student checks up to twenty-five dollars (\$25.00) may be cashed at the Bookstore with proper identification. Reservations for guest rooms, meeting rooms, and private dining rooms may be made at the desk in the lobby; game equipment is also available there. The student lounge is equipped with radio, hi-fi, piano, and color television. Stetson Union Building hours are as follows:

STETSON UNIVERSITY ORGANIZATIONAL CHART

Student Government Officers - President Rob Oglesby, Secretary Kitty Morris, Vice President Angel Castillo, and Treasurer Phil Seipp.

Dear Fellow Students:

On behalf of the Student Government and the Student Senate, I welcome you to Stetson University. The many challenges that you will experience here the next four years will be among the most important of your life.

One of these challenges will be your opportunity to work both with and within Student Government, providing services which will make college life more pleasant and vital to your fellow students. It will provide you with the opportunity for individual growth and maturity, and you will soon become aware of the meaning of responsibility.

Again, I welcome you to Stetson, and hope that your experience here will be both successful and rewarding.

Sincerely,

Rob Oglesby

Rob Oglesby

Student Government President

STUDENT GOVERNMENT

The Student Government of Stetson University is the voice of the student body. Every undergraduate student in the university automatically becomes a member and is subject to its Constitution and By-Laws. Each spring students elect their representatives to the SG and in the fall an election is held to determine the four freshmen representatives. The officers and representatives for the 1966-'67 Student Government are as follows:

President.....Rob Oglesby
Vice President.....Angel Castillo
Secretary.....Kitty Morris
Treasurer.....Phil Seipp

SENIOR CLASS SENATORS

President Dave Morgan
Connie Carefoot
Rick Knapp
Gina Medrano

JUNIOR CLASS SENATORS

President Steve Hobbs
John Hicks
Richard Swartz
Darlene Walker

SOPHMORE CLASS SENATORS

President Russell Buchan
Tim Baughman
Hal Cauvel
Bill Gaventa

MUSIC SCHOOL SENATORS

President Webb Wiggins
Dale Duncan
Robert Farr
Charles Rogers

BUSINESS SCHOOL SENATORS

President Ted Troxel
John Hardman
Bill Schroff
Paul Sneider

LIBERAL ARTS SENATORS

President Terry Able
Wayne Crosby
Marsha Gelbart
Larry Romans

The Senate (composed of the above listed officers and Senators) meets regularly every week on Thursday night at 9:00 p.m. in Rooms 204-205, Stetson Union Building. Meetings are open to anyone.

The work of the Senate is primarily executed through its Committees. The SG President appoints the committee chairmen. Each member of the Senate serves on one of the committees which are as follows:

Elections and Appointments.....Dave Morgan
Judicial and Rules.....Tim Baughman
Labor, Student Services, and Education.....John Hicks
Organizations and Finance.....Terry Abel
Evaluation and Development.....(temporary) John Hicks
Traffic Bureau.....Jerry Napolitan
Records and Research.....TBA
Hostess Bureau.....Carole Davis

The President has a Cabinet composed of five Secretaries of:

Communications.....	Irene Kern
Welfare.....	Jackie Manning
Elections.....	Veda Bunting
Student Events.....	Dennis McNamara
Assemblies.....	Russ Buchan
Traffic Control.....	John Bohmfalk

Other appointed positions with the SG include:

Corresponding Secretary.....	Pat Deuell
Parliamentarian.....	Bill Stemper
Chaplain.....	Ron Hall
Faculty Advisor.....	Dr. Harold Schultz

Some of the most active of the SG Committees which perform services for the Student Body are listed below. Anyone interested in working on any of these committees is asked to get in touch with the Student Government office in the Stetson Union Building or with the Chairman of the Committee.

The GREEN FEATHER COMMITTEE plans Stetson's annual, campus-wide charity campaign, the proceeds of which are contributed to the United Fund and thus divided among worthy national and local charities. The Green Feather weekend includes a carnival and the Miss Hatter Beauty Contest. During the Carnival most organizations sponsor booths complete with prizes, refreshments, shows, and other forms of entertainment. The Committee Chairman for Green Feather is Jack Dawson, Box 332.

The HATTER HOLIDAY COMMITTEE makes arrangements for recreational activities on Stetson's annual Hatter Holiday which is a vacation from classes on a Wednesday in the Spring Semester. The day includes athletic competition, a picnic, and a concert by a well-known, popular group. Traditionally the SG President chooses from the freshmen class for the chairmen for Hatter Holiday.

The HOMECOMING COMMITTEE arranges for Stetson's annual Homecoming. This fall weekend includes parties; open houses in the dorms, Panhellenic Building, and Fraternity Houses; a concert; a parade with bands, decorated floats and cars; and various sports activities. The Chairmen for Homecoming are Wendy Robinette, Box 737, and Wayne Crosby, Box 1019.

PARENTS WEEKEND COMMITTEE sets up a weekend program of entertainment and orientation for parents who visit Stetson during Parents Weekend. The Weekend includes open houses, concerts, and a special luncheon for parents and family in the Commons.

Student Traffic Department Of The Student Government

DIRECTOR—JERRY NAPOLITAN

PURPOSE . . .

The purpose is to organize, administer, and enforce traffic procedures on the campus in the best interest of administration, faculty, and students.

LOCATION . . .

The office is located in room 201 of the SUB, with the hours posted on the door. Post office box number is 1349.

REGISTRATION . . .

Registration of automobiles is part of every student's university registration, and is done so at the same time, or when a car is brought onto campus. Failure to comply will subject the student to a \$10.00 fine.

REGULATIONS . . .

A set of traffic and parking regulation is issued to every student upon registration.

PERMITS . . .

If a student brings an automobile on campus for less than two weeks, he may apply at the office for a special permit which is issued without charge. Failure to apply will be considered non-registration and the same fine will be imposed.

Any student (freshmen included) may have an automobile on campus unless he is on academic probation or social probation or receiving financial aid from the University.

FINES . . .

1st violation.....	\$1.00
2nd violation.....	\$2.00
3rd violation.....	\$2.00
4th violation.....	\$3.00
5th violation.....	Loss of automobile privileges on campus and car will be sent home for a semester or longer.

APPEALS . . .

Any appeals must be submitted within five days after receipt of a violation ticket to the traffic chairman.

Student Affairs Committee

The Student Affairs Committee is an organ of the university faculty and administration, constituted to deal with the non-academic areas of student life. It is responsible to the President, through the Dean of Students' office, for the non-academic and non-classroom activities of students, as individuals and as organized groups.

While the Student Affairs Committee delegates to individual staff members or to student organizations some specific areas or type of responsibility, it is ultimately responsible for these activities, which are represented by the following officials:

Social Organizations

Integral parts of Stetson University are the chapters of six national sororities and six national fraternities. An important decision a student must make is whether or not to become a part of one of these organizations. Many students have a rich college life without being members of a Greek organization, but for some, belonging adds a new dimension and makes adjustment to college easier and quicker.

Sororities and fraternities require time and money of their members, but they remain active on the strength of the need they fulfill: the deep and undeniable desire to have a circle of special loyal friends. The Greek organization is a community of individuals with diverse backgrounds and goals held together by reasons of common interest and mutual benefit—learning the value of sharing ideas and experiences and ascertaining the importance of individual freedom and responsibility. They also provide a more varied social life.

Yet sororities and fraternities today offer more than mere social life. They place greater emphasis on scholarship than ever before, in keeping with the purpose of college life. They urge members to develop individual talents and interests by taking part in other campus activities. Thus they aid the student as he begins a new life as a member of a large "family" away from home. They strive to develop the whole person, not just the social facet of his personality.

Membership in any of the national sororities and fraternities is an honor and a distinction. In order to become a member, the student should participate in rush which is sponsored by Panhellenic and Interfraternity Councils in the fall. This practice of "rushing" allows an individual to find the group for which he is best suited. Rushing is a time of anxiety as well as of excitement, but it is necessary to secure the future happiness of the student.

The six sororities have representatives in and are directly involved in the decisions of the Panhellenic Council whose president is Toni Carameros. The six fraternities are represented and involved in the Interfraternity Council whose president is Jim Smartt.

Religion

Our University was founded by men and women of strong religious faith and is dedicated to the principles of Christian education. Stetson strives unceasingly to develop a community which encourages and supports the deepening of each individual's Christian faith.

Chapel services are conducted twice a week and each student is required to attend one of the services. Speakers for these services are selected from those serving as pastors, leaders of other institutions, and members of the faculty of Stetson University. This time of worship within the campus community is a part of the University's Christian witness and is designed to encourage the students' spiritual growth.

Interdenominational vespers are held each Tuesday and Thursday at 6:30 p.m. in Allen Hall. These devotional services are planned and directed by a student committee of the Baptist Student Union. Various denominational leaders, both student and visiting, are selected as speakers. You are invited and encouraged to attend.

Religious Life Council

The Religious Life Council is responsible for the planning and promoting of all religious activities on campus. These include religious orientation during Orientation Week, Thanksgiving services, the Yule Log Lighting Service at Christmas, Religious Focus Week, and Easter services. Your suggestions are welcomed by the Council.

The Religious Life Council welcomes all students and encourages them to relate themselves to one of the student organizations listed below:

Men's Judiciary Council

The Men's Council serves as a link between the University men and the Administration and tries to develop a sense of responsibility and high standards of conduct in each Stetson man as a corollary to its governmental functions.

Twelve representatives of the men students of Stetson University are elected to the Council every spring under the rules of the Council Constitution; no more than three members of any social fraternity may be members of the Council at one time. Members of the Men's Council for 1966-67 are as follows:

President.....	Mike Repass
Secretary.....	Nick Thompson
Senior Representatives.....	Lane Burnett
	John Haire
	Richard Knapp
	Jan Roberts
	James Thomas
Junior Representatives.....	George Hayes
	David Heath
	Richard Swartz
Sophomore Representatives.....	James Crawford
	Bill Stemper
	Nick Thompson

The Men's Council exists to serve Stetson men, and they are encouraged to express themselves to Council members at any time on any matter concerning themselves or any number of the men students.

Men's Council reviews all violations of men's conduct regulations and recommends appropriate action to the Dean of Men, and when appropriate, the Student Affairs Committee.

Penalties Used By Men's Council

Penalties involving suspension must be reviewed and approved by the Student Affairs Committee. The length and nature of all penalties is deter-

mined by the seriousness of the individual offense. Any man strongly suspected of violation of either the letter or the spirit of a men's Council penalty is subject to suspension. The five types of penalty used by the Council, described below, may be applied singly or in combination.

1. **SUSPENSION FROM THE UNIVERSITY FOR A SPECIFIED OR AN INDEFINITE PERIOD OF TIME.** A student who has been suspended for violation of conduct regulations will not be allowed to attend any University functions during the term of his suspension. The Council may or may not recommend readmission.

2. **STRICT PROBATION.** This penalty includes all restrictions mentioned under social probation, plus the restriction of the man to his room from 8:30 p.m. until 6:00 a.m. No visitors are allowed in his room, nor will he have telephone privileges during these hours. He may accept long distance telephone calls. A man on strict probation is allowed to stay out until 10:00 p.m. on Sunday if he attends church services at night.

3. **SOCIAL PROBATION.** During the probation period the man cannot attend any University event—dramatic, musical, athletic, or social—unless he is required by a professor to attend the event because of a course in which he is enrolled. This includes intramural activities and all fraternity functions except the regular weekly business meetings. During this probation, he is not allowed to be associated with any University woman after 8:30 p.m. Out-of-town trips are prohibited, unless prior permission is obtained from an officer of the Council.

4. **UNRESTRICTED PROBATION.** This penalty does not restrict the man's college activities. However, during this probationary period (as in the case of strict probation and social probation), any violation of any University regulation will be considered grounds for suspension.

5. **WORK ASSIGNMENT.** Any man who takes away from the University community life or destroys property may be required, in addition to payment for damages, to contribute of his time for constructive purposes. All work assignments must be made with the approval of the Dean of Men's Office.

Men's Rules

Stetson men are expected to conduct themselves as gentlemen at all times, and the Men's Council reserves the right to take appropriate action in any case of ungentlemanly conduct. All types of misconduct cannot be anticipated by rules, but the following rules are printed for the guidance of all men.

1. Because of the danger of fires, smoking is prohibited in Elizabeth Hall, Sampson Library, Business Building, Allen Hall, DeLand Hall and Annex,

and Hulley Gym. Smoking is not permitted in the parlors of the women's residence halls.

2. Possession or use of firearms, firecrackers, or explosives on the campus is prohibited. Men who wish to use guns during hunting season must make proper arrangements for the storage of their guns before bringing them to campus.

3. Stetson University is opposed to the use of alcoholic beverages. We believe that drinking is not in keeping with the best academic interests or physical welfare of students, and that it is not compatible with the goals of Christian education.

The Student Councils investigate and adjudicate all cases involving the use of alcoholic beverages on the campus or at University functions. These cases include behavioral evidence of drinking displayed by students returning to the campus or attending functions.

Any conduct unbecoming to a Stetson man or woman on or off campus is considered a violation of the high standards which these Councils encourage and promote.

4. Any group of three or more men engaged in minor vandalism on fraternity property will be suspended from school. This rule includes the painting of fraternity mascots. The Men's Judiciary Council works with the Interfraternity Disciplinary Council on violations of this regulation. Any individual engaged in more serious acts of vandalism or property destruction will be suspended.

5. Any man who gains unauthorized entry to the women's residence halls will be liable for suspension.

6. Since property destruction or other misconduct usually accompany riotous action, students who foster or participate in such action will be severely disciplined.

Housing Rules

All men, whether they live in the University Residence Halls or off campus, must comply with rules governing housing. General regulations are enforced by the Dean of Men's Office. Residence Hall regulations are enforced by the Dean of Men, Head Resident, Resident Advisors, and House Councils. These staff members will welcome any and all suggestions for improvement of residence hall life.

1. Stetson University is primarily a residential college. Therefore, all single students who do not live at home are required to live in University

housing. Any exceptions must be approved through the appropriate student Dean's Office.

2. Men are permitted to have women visitors in their living quarters if permission has first been obtained from either the Dean of Women or the President of Women's Executive Council.

Women students are free to visit fraternity house and the lounge in Carson Hall only during the scheduled hours which are posted in the residence halls and in the fraternity houses.

3. Changes of off-campus quarters must be approved by the Coordinator of Men's Housing, Mr. Joel Bagnol, before they are made.

4. Each man must keep his correct address on file in the Office of the Dean of Men.

5. Approved housing units for unmarried men require the renter and the landlord to be under the same roof, unless specific permission is given by the Office of the Dean of Men. Garage apartments, trailer camps, houses, motels, or auto courts are not approved as rooming facilities for unmarried men.

6. Unmarried men will not be allowed to commute unless they live at home with parents or guardians and written permission for commuting has been filed by the parents or guardians in the office of the Dean of Men.

7. Stetson men are expected to dress in good taste at all times, especially in public areas and when calling at the women's residence halls. All men are expected to wear coats and ties for the Sunday noon meal at the University Commons and at any other time when the occasion demands it. Bermuda shorts may be worn in the classroom if the professor approves.

8. Any man convicted of theft will be subject to suspension from the University.

9. In a situation where the University is responsible for the actions of students, the rules governing students as set forth in the Handbook are applicable.

Associated Women Students

All resident women automatically become a part of Associated Women Students which was created by the women of Stetson University, who had a desire for self-government in all matters concerning them.

The purpose of the Association is to encourage and promote the type of self-development which will prepare a woman for life after her University years. The entire philosophy of the Association is based on the belief that a woman under this type of self-government will mature and be able to assume increased responsibility year by year.

Each Stetson woman is expected to use consideration, common sense, and honesty in all matters. It is vital that there exist mutual respect and integrity between the Council and the women of the University. The Council reserves the right to warn or penalize any woman student who conducts herself in a manner unbecoming a Stetson woman.

General Information

DRINKING

Stetson University is opposed to the use of alcoholic beverages. We believe that drinking is not in keeping with the best academic interest or physical welfare of students, and that it is not compatible with the goals of Christian education.

The Student Councils investigate and adjudicate all cases involving the use of alcoholic beverages on campus or at University or fraternity functions. (A University fraternity function is defined as any fraternity activity taking place at which University women are present.) These cases include behavioral evidence of drinking displayed by students returning to the campus or attending functions.

Any conduct unbecoming to a Stetson man or woman on or off campus is considered a violation of the high standards which these Councils encourage and promote. There is no automatic penalty, as each case is handled on an individual basis. However, any offense, such as lateness, will be considered and treated more seriously if drinking is involved in any way.

SMOKING

Stetson women do not smoke in or in front of academic buildings, in front of residence halls, in some specified areas of resident hall parlors or walking about on the campus or streets. All women are expected to use good taste and consideration concerning when and where they should smoke.

DRESS

Skirts are worn to classes, to chapel, to assembly, and to offices in academic buildings. On Sundays, sportswear may be worn in the Hat Rack or patio, Panhellenic Building, or tennis courts only. Casual clothes are permissible after the evening meal for study. These standards apply to all women of the University, whether they live in residence halls or off campus.

RESIDENCE HALL REGULATIONS

It seems to the Council that, if we are to regulate our conduct on the basis of consideration for each other, it is important that we respect the right of others to study or sleep at any time during day or night. Therefore, we request all students to help by reminding each other that such consideration cannot be legislated.

ROOMS

There shall be no automatic penalties for disorderly rooms. Again, it is a matter of consideration for others and common sense that rooms be kept in a way that will create a pleasant atmosphere and improve personal health habits and aid students in achieving maturity as a part of their total education. The Council, therefore, urges every student to cooperate in the upholding of this standard for her own sake and for the general welfare of the residence halls. Disregard of this request will be handled as a personal matter. Periodic room checks will be made and handled by Council members.

DOORS

Doors are NOT to be opened for any reason after they are officially closed. Girls are not to leave the residence hall until it is officially opened at 6:45 a.m. during the week and 7:00 a.m. on Sunday, unless special permission is granted by the residence hall director.

GUESTS

A residence hall guest is expected to observe the regulations of the Associated Women Students. A guest is requested to sign two cards when she arrives at the residence hall in which she is visiting. One will be filed at the house desk, and the other will be given to the residence hall director. The guest fee is fifty cents per night.

A student is expected to obtain permission from her residence hall director before her guest arrives. Guests will be granted senior privileges. If the guest fails to observe the residence hall regulations, her hostess is held responsible. Guests are allowed only on Friday or Saturday nights.

PERMISSIONS

Any freshman who will be out of the residence hall after 8:30 p.m. must sign herself out at the desk, giving information as specific as possible. Upper-classmen do not have to sign out. This places a special responsibility on the student to notify the residence hall director or the hostess on duty when she is unable to return to her residence hall on time, as the matter of being in the residence hall on time is based entirely upon the individual's honor. Any student who has obtained permission for a late activity extending beyond the normal closing time will sign out so that those in charge of the desk will know that she is out.

Important Note: When a student returns late to her residence hall for any reason, she is to go to the following designated doors or windows in each building and call:

Chaudoin.....East door of South Wing.
 Conrad.....Ring front doorbell.
 Emily.....West door, North Wing.
 Stetson.....West end door.

It is imperative that these doors be used and that girls not call their friends to open other doors. We depend upon girls who may be called by their friends to remind them of the designated places.

OFF-CAMPUS OVERNIGHT PERMISSIONS

1. Any girl who leaves the campus to spend the night in her own home must sign out on yellow card. (Freshmen with Dean Parker).
2. Any girl of any class who leaves the campus to spend the night in any place other than her own home must have an invitation filed in the office

of the Assistant Dean of Women and will obtain permission from her office.

3. Permission for girls to spend nights in the City of DeLand are granted only in special cases.

4. Seniors whose parents grant permission for them to spend weekends at the Beach unchaperoned may make necessary arrangements through the Office of the Dean of Women.

5. Girls leaving for overnight are expected to leave by 7 p.m. If a girl is signed out of a residence hall for an overnight off-campus, she must not return for any University function unless she returns to the residence hall for the night of the function. Each girl is expected to return to her residence hall the day for which she signed out.

The Dean of Women will mail to each parent or guardian a blanket permission form to be filled out and returned to her. All permissions will be granted on this basis. Parents or guardians are notified when a permission has been granted.

SIGN-OUT CARDS

Freshmen use WHITE cards for:

1. Permission to be out of the residence hall after 8:30 p.m.
2. Permission to spend the night in another residence hall or the Panhellenic Building.

Second-, third-, and fourth-year women use WHITE cards for:

1. Permission to be out of the residence hall after it closes.
2. Permission to spend the night in another residence hall or the Panhellenic Building.

ON-CAMPUS OVERNIGHT PERMISSIONS

Residence hall girls obtain permission from their residence hall director to spend the night in another residence hall or in the Panhellenic Building. All girls sign out on their white cards for this permission by 8:30. Master sheets are sent to the Panhellenic Building with the names of all girls spending the night. When a residence hall director signs permission for a girl to spend the night in another residence hall, she will call the residence hall in which the girl will be staying.

AFTERS

Special late permissions for individuals will be handled by the Executive Council. Requests for AFTERS must be made at the Council meeting preceding the event. If this is not possible, the permission must be obtained from the President or Secretary of Executive Council or your dorm president.

A girl who has obtained permission from Executive Council to return after the residence hall has closed or after the time of her latest permission must sign out with her residence hall director for an AFTER.

VISITING MEN'S LIVING QUARTERS

Girls may visit men's residence halls or fraternity houses only during the hours posted on the bulletin boards in women's residence halls. Girls may go to a man's living quarters by making prior arrangements with the office of the Dean of Women or the president of Executive Council.

PANHELLENIC BUILDING

Two couples may be in the Panhellenic Building by making prior arrangements with the President of the individual group involved. The Council reserves the right to investigate any violation of this regulation.

HONOR KEY PRIVILEGE

Seniors

As an expression of the faith which the Women's Council has in the willingness of Stetson University women to assume increased responsibility for their conduct, senior women are granted the privilege of using the residence hall keys for special occasions which make it necessary for them to come in after the buildings are closed on any night. To obtain a key a senior must sign out before 10:00 p.m. on the particular night she wishes to use the key, give the requested information concerning her destination and anticipated hour of return. The Women's Council has faith that the seniors will treat this privilege as a special trust. Each girl is responsible for the key she checks out; and if she loses the key, it will be necessary for the Council to revoke her key privilege. The Council reserves the right to investigate any misuse of this special privilege. Qualifications for the senior honor key are: Any girl who starts her 4th academic year can automatically have unlimited keys. (It does not matter if she is classified as a senior or not.)

A girl with 96 hours and a C-average may apply at the end of two calendar years for a senior honor key. (This does not automatically mean that she will be granted one.)

Juniors

The same rules and procedures apply to Juniors as in the above concerning Seniors. Qualifications for a Junior Honor Key are: Any girl who has completed two academic years may automatically have a junior honor key, (six keys a year). Any girl who has completed 64 hours and has a C-average may apply for a junior key.

OTHER PRIVILEGES

Sophomores

Any Sophomore woman who goes an entire month without a late minute, will receive an extra half hour on the Friday night of her choice.

Freshmen

Freshmen women who earn a 2.5 or higher average for the first semester will be granted sophomore hours. Any Freshman woman who goes an entire month without a late minute, will receive an extra half hour on the Friday or Saturday on her choice.

Council Members

Because of the tremendous responsibility placed on the members of the women's council, it seems only fitting to grant them some type of reward. Therefore, freshmen serving on the house councils will receive Sophomore hours, Sophomores will receive Junior and Senior hours.

WOMEN'S EXECUTIVE COUNCIL

Any woman is eligible to run for Women's Executive Council or House Councils if she is a freshman, sophomore or junior. Elections are held second semester. A girl must maintain a C-average. This years officers and representatives are as follows:

PRESIDENT.....Darlene Smith
SECRETARY.....Shari Cox

HOUSE PRESIDENTS

Jeani Shaffer.....(Chaudoin)
Jackie Manning.....(Conrad)
Rachel Pike.....(Emily)
Becky Chambers.....(Stetson)

Intercollegiate Sports

Stetson University has varsity teams competing in basketball, soccer, baseball, tennis, and golf. All university men are urged to try out for these teams. Freshmen are eligible.

Stetson is a member of the National College Athletic Association and the National Association of Intercollegiate Athletics. Under the Florida Intercollegiate Conference, Stetson competes in league with Rollins College, Florida Southern College, and the University of Tampa in the above mentioned sports.

The Stetson Hatter basketball team, under well-known coach, Glenn Wilkes, always turns in a fine seasonal record. In 1963 they reached the second round in the NAIA tournament in Kansas City. In 1964 Coach Wes Berner led the soccer team to victory in the Florida Intercollegiate Conference. Coach Berner also heads the golf team. Stetson has an outstanding tennis team, coached by Ray Hussey, and a fine baseball team under the direction of Bob Weickel.

Activity tickets admit all Stetson students free to home contests.

MEN'S INTRAMURALS

Stetson's physical education department and the Intramural Board provide a varied intramural sport program for all men desiring to participate. Teams are entered by the six Greek fraternities and by the Independent Men's Organization. A wide range of sports—football, basketball, baseball, tennis, golf, badminton, volleyball, bowling, table tennis, paddleball, riflery, cross-country, and horseshoes is played. Points are awarded in each of these sports and the organization accumulating the greatest number of points throughout the year is awarded the President's Cup. Any team winning three years in a row retires this coveted trophy. Other awards are the Achievement Trophy to the team showing the greatest improvement over the past year, and the Intramural Athlete of the Year Award presented to the individual who wins the most number of points during the year.

Athletic events are conducted by round robin, elimination, and double elimination tournaments depending on the sport. Points are awarded to teams placing first, second, and third. In case of a tie in any sport, playoffs are set up.

For information concerning scheduling and other intramural questions check the intramural bulletin board between Hulley Gym and the Stetson Union Building, or contact Coach Weickel in Hulley Gym.

WOMEN'S INTRAMURALS

The program for women is very similar to that provided for the men. Under the direction of the Women's Intramural Board a varied program of sports is planned to give all university women the opportunity to participate in wholesome recreational activities. Teams are sponsored by the six sororities,

the dormitories, and any other organization wishing to participate. These groups compete in volleyball, basketball, softball, tennis, badminton, shuffleboard, table tennis, and horseshoes, vying for the Intramural Trophy which is presented to the team winning the greatest number of points throughout the season. Also, a Participation Trophy is given for the highest percentage of participation within one group. Girls entering six or more of the eight sports win letters, and outstanding players are chosen: "Rookie of the Year", and "Athlete of the Year." The rules for awarding points are the same as those governing men's intramurals.

REGULATIONS

University Regulations and Information

An important function of the COMPASS is to introduce the entering student to the regulations, standards, and procedures which he is expected to follow at Stetson. This edition, along with the current catalogue, provides a comprehensive description of such regulations, and all students should be familiar with them. The entrance of a student into the University indicates his agreement to conduct himself with dignity and respect for the regulations of the University. Both on and off the campus, violation is grounds for disciplinary action.

The Stetson students have not adopted an "honor system," whereby each student agrees to report dishonesty on his or any other student's part. However, the personal integrity of a student is held in highest regard at Stetson. Any student who, through acts of dishonesty or falsification of information, demonstrates that he cannot live up to this ideal may expect to forfeit his right to continue in school.

The academic dean of each college is responsible for the enforcement of regulations affecting registration, classroom procedure, and degree requirements. In some instances this responsibility is delegated to department heads, faculty advisors, faculty committees, or to individual faculty members.

Because Stetson upholds the importance of student government, in most instances the enforcement of social regulations is delegated to the Women's Associated Women Students or to the Men's Judiciary Council. The ultimate responsibility for enforcement of regulations which pertain to the standards of behavior outside the classroom belongs to the appropriate student deans. The term "appropriate student dean" refers to the Dean of Men for men students, to the Dean of Women for women students.

All standards and regulations as outlined by the women's and men's councils apply to all students of the university whether they are day students or live in residence halls.

GENERAL REGULATIONS

1. **CHANGE OF REGISTRATION.** The deadline for students' dropping a course without a penalty is stated in the University Catalogue. A student must first obtain permission from his instructor, his faculty adviser, and finally, the dean of his college or school.

2. **SOCIAL CALENDAR.** All social events must be scheduled on the University Calendar which is kept in the office of the Dean of Women. Students who are responsible for events which need chaperones should consult this calendar and make necessary arrangements in the Dean of Women's office well in advance of the event.

3. **WITHDRAWAL FROM THE UNIVERSITY.** Students who wish to withdraw must receive clearance from several administrative offices and should begin withdrawal procedures at the office of the appropriate student dean.

4. **CLASS ATTENDANCE.** The method of instruction employed at Stetson requires regular attendance at classes. Two regulations govern absences:

(1) A student missing classes to the detriment of his work will be warned by the instructor that further absences may result in a reduction of his grade; he will be reported to the dean of his college and to the appropriate student dean.

(2) Ten per cent of class meeting is regarded as a maximum of absences—for illness, emergencies, social activities, or any other reason.

There are no excused absences, only explained or unexplained absences. Students are responsible for making up the class work they miss and should make these arrangements in advance whenever possible.

5. **CHAPEL ATTENDANCE.** As a church-related University, Stetson considers the chapel services held on Wednesday and Friday mornings, and the student assemblies on Monday mornings, to be integral parts of the total educational experience of each student. Both programs are designed for the purpose of drawing the student body and faculty into a unit through common worship and through the sharing of educational and esthetic experience. HENCE, ATTENDANCE AT BOTH PROGRAMS IS REQUIRED OF ALL STUDENTS.

The following regulations have been designed to emphasize the important place held by these programs in the estimation of the University.

(1) Chapel and assembly absences are recorded separately.

(2) Each student is allowed two unexcused chapel absences during each semester.

(3) Each absence in excess of two, unless excused by the appropriate student dean, will result in the deduction of one half quality point. Such a deduction becomes a part of the student's permanent record, and is referred to if his conduct or academic record is under consideration.

(4) If a student's unexcused absences exceed three in any one semester, appropriate disciplinary action will be taken. The procedure will follow that for any other infraction of University rules and may result in suspension from the University.

6. **INVENTORIES, EXAMINATIONS, SEMESTER HOURS, GRADES, QUALITY POINTS.** At the end of each five weeks' period in the fall semester and once in the spring and summer terms a grade inventory is held and all instructors report the names of students who are doing unsatisfactory work. These estimates are not permanent grades but are used as an indication of the student's progress at the time. Inventory grades are based on one or more examinations in most classes, usually given immediately before the inventory reports are due. Final examinations are given at the end of each semester. Students who have unpaid accounts will not be sent their official grades or transcripts until the accounts have been cleared.

"Semester hours" is the term used at Stetson to describe the QUANTITY

of academic work undertaken or completed. The QUALITY of academic work is described in terms of grades or quality points. Grades and quality points in courses represent the instructor's final estimate of the student's performance and are based on all work done during the semester. A (three quality points) through D (no quality points) are passing grades for which the student will receive credit. F (minus one quality point per hour) is the failing grade for which no credit is given. The quality point ratio is obtained by dividing the total quality points by the total hours attempted.

7. **ACADEMIC PROBATION AND SUSPENSION.** Students whose cumulative academic average drops below C will be placed on academic probation, which is continued until the C average is regained. If a student on probation fails to earn a C average in any semester, he is eligible to be dropped from the University.

8. **EXAMINATION POLICY.** Stetson has no established honor system. The faculty recommends the following in order to establish a uniform disciplinary procedure:

(1) On the first offense the minimum punishment will be an F on the paper, test, or examination. The maximum punishment will be failure of the course. Naturally, the professor must make his position clear to each class at the beginning of the semester and must be consistent in the enforcing of his policy.

(2) A report of each offense will be sent to the office of the appropriate student dean to become a part of the student's records. A first offense will not become a part of a student's permanent record.

(3) Upon receipt by the student dean of a report of a second offense by the same student, he will notify the Dean of the University so that he may take appropriate administrative action, which, the Committee feels, should be suspension from the University.

9. **ALCOHOL.** Stetson University is opposed to the use of alcoholic beverages. We believe that drinking is not in keeping with the best academic interests or physical welfare of students, and that it is not compatible with the goals of Christian education.

The Student Councils investigate and adjudicate all cases involving the use of alcoholic beverages on campus or at University or fraternity functions. (A University fraternity function is defined as any fraternity activity taking place on University or fraternity property or any planned activity at which University women are present.) These cases include behavioral evidence of drinking displayed by students returning to the campus or attending functions.

Any conduct unbecoming to a Stetson man or woman on or off campus is considered a violation of the high standards which these Councils encourage and promote. There is no automatic penalty, as each case is handled on an individual basis.

10. **MARRIAGE.** A student who changes his status through marriage without notifying the appropriate student dean in personal conference prior to the wedding will be subject to suspension. This rule is in effect from registration

in the fall to Commencement Day, or while attending the summer session.

11. NOTICE TO PARENTS. When a student is involved in serious difficulty—whether academic, financial, social, or otherwise—the University may notify his parents or guardians.

12. AUTOMOBILE PRIVILEGE. Students are advised not to bring automobiles to the campus until they have established their grades. Any freshman with a car who is placed on academic probation at the end of the fall semester, is required to take his car home at that time.

All students with cars are referred to the section of the Handbook dealing with student traffic, in order to know the proper procedure concerning registration, parking, and other traffic regulations.

The Varied Term Calendar

In the fall of 1965, Stetson adopted a new year-round academic calendar which includes a five week term commencing after the Christmas vacation. During this term freshmen and sophomores in the College of Liberal Arts and Music School concentrate in two areas of General Education. Juniors and seniors devote this term to independent study, departmental work or preparation for exemption examinations.

In addition to the advantages of a wider choice of courses and time for concentrated individual study, the calendar permits the superior student to graduate much more quickly. Taking five courses in the fall and spring terms of 15 weeks, two courses in the winter term, and three more courses in the summer term, one may graduate in less than three years. The regular student will take four courses in each of the long terms, and finish in the usual four years time.

A typical program under the Winter term calendar:

Fall	(15 weeks)	12–15 hours
Christmas	(2 weeks)	Vacation
Winter	(5 weeks)	General Education courses or independent study for 6 hours
Spring	(15 weeks)	12–15 hours
Summer	(8 weeks)	9–10 hours

The Stetson Colors

Stetson's colors of green and white have a deep meaning. The green signifies growth and the white represents purity. These colors were chosen from the Orange tree and they have been a symbol of the school since 1901.

The Stetson Seal

The seal of Stetson is representative of the school. It was adopted by the school in 1889. The Latin motto, "Pro Deo et Veritate," is translated, "For God and Truth." The lamp signifying the light of truth, rests on the book of knowledge.

Alma Mater

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion!
Bright in their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus,
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus:
Hail, Alma Mater dear!

Classification Of Students

Regular students are those registered as candidates for undergraduate degrees. They are full-time in any semester if they carry at least 12 semester hours of class work; part-time if they carry less. Regular students are freshmen until they have completed 27 hours, sophomores on completion of 27 hours, juniors after completion of 64 hours, and seniors when they have completed 96 hours with a C-average.

Scholastic Honors

Honor Roll—Undergraduates with a 2.0 average on 15 hours work, and no grade below C.

Dean's List—Juniors and seniors with a 2.5 average on 15 hours work, and no grade below B.

Graduation Honors—A student who has been in residence for at least two years and has a 2.5 average is graduated cum laude (with honor); if he has a 2.7 average he is graduated magna cum laude (with great honor). A student who has been in residence for four years, and has a 2.9 average with no grade below C, is graduated summa cum laude (with highest honor).

Year Abroad Program

Stetson participates in the Year Abroad Program sponsored by the Associated Mid-Florida Colleges (Bethune-Cookman College, Florida Presbyterian College, Florida Southern College, Rollins College, and Stetson University). The purpose of the program is to contribute to independence of thought and study habits of the student and to give him an understanding of another culture. Students may study at the University of Freiburg in Germany, the University of Madrid in Spain, and the University of Strasbourg in France. This program is not limited to language majors; students in all fields of study are urged to participate.

For admission to the program a student should have completed the equivalent of three years of college study in the language of the country for which he is applying with an average grade of B, or two years of language study with an overall average of B. The cost of the program, including tuition, room and board, health insurance, and round trip transportation approximates the cost of one year of study at Stetson.

Students receive orientation and language training before classes begin at the universities. Upon satisfactory completion of the year's study, credit commensurate with the work undertaken and completed will be given by Stetson. Normal credit is 30 semester hours.

All students interested in participating in this program should contact Dr. Elsie G. Minter in the language department in Sampson Hall.

ROTC Training

Military training is an important part of University life for many male students. Reserve Officers' Training Corps (ROTC) offers to young men of college age the opportunity to gain skill in military science and tactics while they pursue their academic careers. Upon completion of the basic course ROTC in college, they may qualify for appointment as Second Lieutenant in a branch of United States Military Service; because they have military training as well as academic training, they are put directly in positions of leadership rather than among the masses of enlisted men of varied levels of education. Graduates of the ROTC program are privileged to serve their country with more than their physical strength because they have developed their qualities of leadership and intellect to the fullest.

Financial Aid To Students

Many college students need financial assistance beyond that which families can provide in order to complete their education. Financial aid to Stetson students is awarded on the basis of ability and promise and is available to all students who can establish need and who are maintaining a "C" average or better in their academic work. Aid is awarded yearly and must be renewed.

Stetson University is a member of the College Scholarship Service of the College Entrance Examination Board. All applicants for financial aid must provide the committee on Financial Aid with the Parents' Confidential Statement of family financial resources and whatever further information the Committee may require. Confidential statement forms are available at the Financial Aid Office.

Further information on financial aid may be obtained from the Financial Aid Office, the Admissions Office, the Dean of Men's Office, or the Dean of Women's Office—all located on the first floor of Elizabeth Hall—and from the University Catalogue.

The University's aid program is quite broad, but not unlimited. The amount of an award varies with the financial status of the student and his family, but there are cases when the financial need cannot be met with University funds. The University reserves the right to adjust the amount and type of aid if there is a change in the financial or academic status of the student.

TYPES OF FINANCIAL AID

WORK-GRANTS: Most students receiving aid other than loans will be required to work on campus. The amount of time a student is required to work varies according to the amount of work-grant he is awarded. The maximum time required to work is fifteen hours per week. Jobs are assigned in keeping with a student's educational goals. All awards are deducted from business office accounts. Any student who quits his job or performs unsatisfactorily in his work shall forfeit the entire work-grant.

LOANS: Stetson long term loans are repayable on a term basis 10 years after graduation at an interest rate of 2%. This interest does not begin until after a student has left college. Should the student withdraw, the loan is due in 5 years; if he is suspended, it is due immediately. National Defense loans are repayable on a term basis 11 years after graduation at an interest rate of 3%. If you have been awarded a loan, you must apply to the business office for an application and file necessary papers before the loan is credited to your account.

Post Office Information

1. Every freshman student will share a mailbox with one other person during his first year at Stetson. After becoming a sophomore, he will be assigned a permanent box number different from his freshman one.

2. First class mail is usually put in the mailboxes by 10 a.m. and 2:30 p.m. Please do not come to the window to ask if the mail has been put up. It will only cause further delay.

3. Packages are sorted and notices placed in the boxes by noon. In order to receive a package, the student must bring his package notice to the window. Packages will not be given out unless the student presents a card. This is for your protection.

4. There are two major kinds of mail handled by the Stetson post office: Stamped mail delivered by the U. S. Post Office, and campus mail which requires no stamp.

Stamped outgoing mail should be placed in the chute next to the service window. Mail goes out at 9 a.m., 1 p.m., and 4:30 p.m.

Campus mail should be placed in the chute next to the west door of the post office. It will be sorted and distributed after first class mail is put up. Offices and organizations who place more than ten notices in campus mail are required to arrange the notices in numerical order. Otherwise, they will not be put up.

5. The Stetson post office does not insure or register mail, cash checks, or sell money orders. Letters and packages may be certified.

6. Special delivery letters are placed in boxes upon their delivery to the Stetson post office. After hours and on weekends, the downtown post office is responsible for their delivery.

7. Service window hours are from 9 a.m. to noon, and 1 p.m. to 4:30 p.m. Monday through Friday, and 9 a.m. to noon on Saturday. If you are unable to attract immediate attention, please knock for service.
